## Leysin American School in Switzerland signet rings!

We have crafted exclusive rings in 18 carat gold, 9 carat gold, and sterling silver. These select rings will only be available to those associated with LAS.

### Placing an Order

You may order via the website or by email to John at [ddmdesigns@mail.com](mailto:ddmdesigns@mail.com).

Rings are personally tailored for each wearer and so some time should be allowed for this process. Currently, we estimate a 4 week turnaround from order date.

The cost of the ring can be deducted from your child's personal account with LAS. In this case, parental authorisation by email will be required before any order can be accepted and the order process instituted. Cash purchases are welcome.

### Important

These rings are made from precious metals the price of which is subject to market fluctuations. As a consequence of such movements, jewellery prices may be adjusted at any time, and should this be necessary, you will be notified at the time of placing the order.
